Thank you for supporting displaced families and refugees from Sudan

Dear Sreeman Reddy,

Thank you so much for your generous gift of US$ 15.00. Your donation has been processed by mastercard and your Donation ID is UNHCR-FH-20251109000828-7037280.

In Sudan, and in neighbouring countries, UNHCR is on the ground with our

partners, providing critical emergency supplies, protection, and shelter support, all made possible by donors like you.

Your support is a lifeline for refugees, local communities, and displaced families who are enduring the aftermath of the devastating conflict in Sudan. With your help, we are providing shelter, hygiene kits and cash assistance to families who are trying to rebuild their lives.

If you'd like to get in touch with us about UNHCR, and how your donation is helping vulnerable families from Sudan, we are always here to answer your questions. Get in touch via donors@unhcr.org.

Thank you once again for your support. You are keeping hope alive for families impacted by the humanitarian crisis in Sudan.

Sincerely,

Monia Hassan
