Dear Sreeman Reddy,

Thank you for your generous contribution to the Middle East Children's Alliance for the Maia Project.

Your contribution will help MECA and our staff and partners in Gaza give children one of the most basic things every child needs and deserves: Clean, safe drinking water.

Please don't hesitate to email or call us with any questions or comments.

Many thanks,

Medical Aid for Refugees

MECA's shipment of medical supplies valued at one million dollars has arrived in Lebanon. It contains supplies from community clinics and pharmacies requested for the growing population of refugees from Syria, including medicines for kidney disease, diabetes and bleeding, surgery tubes, bandages, IV fluids, syringes, antiseptics. MECA's partner organizations also distributed hygiene kits to refugee families.

Rights and Heritage in East Jerusalem

More than 1,500 children from the neighboring towns of East Jerusalem learned about their cultural heritage and rights through classroom speakers, interactive games, and field trips to the Old City and to destroyed Palestinian villages.

Girls' Sports in Gaza

This pilot project in Gaza provided girls with coaches, uniforms, and equipment for running, soccer and cycling, along with workshops on physical and psychological health, including mental health. Many thanks to hundreds of participants of The Big Ride for Palestine in the UK for raising funds for this project.

Since a very young age, it is so, I had a deep passion of riding a bike but I never knew how to. The first time I rode the bike was in the MECA project. The teacher held my hand and helped me through it. I loved that. When I ride, I feel like I'm flying and no one can stop me!
